Ref: TS/SP

Dear Parents,

NURSERY CLOSURE DUE TO SEVERE WEATHER CONDITIONS

We are approaching the season where severe weather could affect the College site and we may have to close in some circumstances.

The main method of communication with parents in these circumstances will be via the College Website. We will attempt to upload the information by 7.30am and then update this information at appropriate intervals.

Our website address is <http://www.claverham.e-sussex.sch.uk/>

We also inform East Sussex County Council, who put school closures on their website and alert the local radio stations. They also have a live RSS feed, which you can subscribe to, which will alert you within 5 minutes of a school closure. Further information is available at:

<http://www.eastsussex.gov.uk/educationandlearning/schools/schoolclosurealerts.htm>

Please note that due to the sloping nature of our site we have a large number of paths and roads that are dangerous until cleared. We may be closed the following day, after snow, in order to make the site safe, even when the main roads are open. Please check the website for information.

If we have to close during the day the same procedure will be used. We will also call or text your mobile phone. Please check that we have your current contact numbers.

Yours sincerely,

Mr T Stainfield
Deputy Principal
